

LASAGNE

60 minutes

££

Allergens: dairy, gluten, celery

What is it?

A tasty Italian pasta dish packed with flavour. This can be prepared ahead of time and stored in the freezer until you want to cook it. Just bake for an additional 15 minutes from frozen.

MAKE IT FUN!

You could mix up a yummy rainbow salad to go with this dish by chopping up all different coloured veggies and mixing them together; think peppers, carrots, cucumber, lettuce...

WHAT TO DO:

Step 1:

Heat some oil in a pan and gently fry the onions and garlic for 5 minutes. Add the beef mince and break up large chunks with a spoon. Cook the mix until the mince has browned. Season with salt and pepper. Crumble in the beef stock and 50ml water per person. Give everything a stir.

Step 2:

Add the chopped tomatoes and mixed herbs. Simmer the mix for 15 minutes, stirring well, until the sauce has thickened. Cover the bottom of an oven dish with some lasagne sheets, then top with $\frac{1}{2}$ of the meat. Repeat, then add a last layer of pasta sheets on top.

Step 3:

Make the white sauce; in a pan, gently melt the butter and add the flour. Once you have created a paste, add the milk a little bit at a time and mix well. Keep going until the sauce thickens. Add a small pinch of salt and white pepper. Stir continuously so that the bottom of the pan does not burn.

Step 4:

Pour your white sauce over the lasagne to make the final layer. Sprinkle the grated cheese on top and bake for 30-45 minutes at 200 degrees (gas 6) until the top has lightly browned and the sauce is bubbling. Test if it is ready by inserting a knife into the middle, there should be no resistance as you push it through the layers.
